

## NEW! SUPPORT A SECTION! - \$5,000

Support the heart of the AAA community by sponsoring one of the Association's 40 specialized sections, each representing a distinct area of anthropological research and practice. Section sponsorships provide focused visibility with a targeted audience of scholars and practitioners who share common interests. By sponsoring a section, your organization demonstrates meaningful support for specialized scholarship and professional community-building within the field of anthropology.

American Ethnological Society (AES)	Council on Heritage and the Anthropology of Tourism (CHAT)	Society for Latin American and Caribbean Anthropology (SLACA)
