Global Business Anthropology

<https://www.businessanthro.com/2020-summit-berlin>

This is how we
started thinking
about the
invisible
structures

What are the lockdown conditions in your local community?

What do you think distinguishes the approach of your national culture to COVID-19?

What do the imposed restrictions in your society reveal about your taken for granted social world?

What seeds of change have you witnessed?
What dialogue through all sectors of society do you notice that highlight fairness and maybe sustainability?

Speaker sequence

Lotta Bjorklund Larsen, Researcher at the University of Exeter Business School UK (Stockholm)

Natalia Usme, Business Anthropology Manager at FLIPA (Bogota)

Nimmo Elmi, PhD Candidate at Linköping University and Visiting Scholar at the University of Nairobi School of Law (Nairobi)
